(The content of abstract. Single space. Please don't exceed half of page) It gives me great pleasure to invite you to participate in the 4th East Asian Biophysics Symposium (4th EABS), which will be held on May 20-23, 2003, at the Academia Sinica, Taipei. The topics for the 4th Symposium are: (1) Structural Biophysics; (2) Cell & Membrane Biophysics; (3) Neurobiophysics & Cell Motility; (4) Biophysical Technology; (5) Computational Biophysics; (6) Imaging & Single Molecules. In addition to the invited lectures, all participants are invited to present their research in Poster form. Abstracts should be submitted as E-mail attachment files (MS Word RTF and PDF) to the Secretariat. A sample Abstract can be downloaded from the website and used as the template for preparing the Abstract. Authors are required to select up to 2 (in priority sequence) out of the 6 symposium topics which best reflect the theme of their work. Posters will be allocated a space of **150 cm wide by 90 cm high**; mounted posters will be on display at the same venue throughout the symposium.

Select appropriate topic numbers from the aforementioned list (underline) :

1st preference : []
2nd preference : []

Save this file as MS Word RTF AND PDF files if possible, e-mail as attachment to the Secretariat (E-mail: biophys@gate.sinica.edu.tw)

Format Guidelines

- * Typed in English within the boxed area (18 x 11.5 cm); do not indent paragraph; use Times New Roman for all text, 10 pt font for main text
- * Use single line-spacing and an after-paragraph spacing of 6 pts.
- * Title should be aligned left; full affiliation address of the presenting author should be given.
- * Use 12 pt boldface lettering for title, 10 pt normal font for authors' names, indicating presenting author with a superscript [*] and distinguish affiliation by superscript numbers; 10 pt italic font for affiliation.
